

All-Abilities Summer Day Camps

NHR Horse Camp is an integrated experience, designed to provide all campers (special needs or typical needs) the chance to bond over their mutual love of horses desire to learn more! This is an excellent opportunity to learn riding skills, gain confidence, and improve communication and problem solving skills. Campers get hands-on experience with horse care and horsemanship in a safe, fun and friendly camp atmosphere. Camp is designed for boys and girls of all abilities, ages 5 and up.

*We are happy to accommodate campers with all abilities but ask that they either be able to feed themselves and use the restroom without assistance, or be accompanied by a caregiver. They must also be cleared by a licensed physician to participate in equine activities.
